Name: _____ SSN: _____

SC Code of Laws Section 43-7-460 directs the State Department of Health and Human Services to seek recovery of medical assistance paid under the Title XIX State Plan for Medical Assistance from the estate of certain individuals.

☐ As an applicant/beneficiary for Medicaid services, I understand that there are two groups of people that are affected by estate recovery:

- A person of any age who was a patient in a nursing facility, intermediate care facility for the intellectually disabled, or other medical institution at the time of death, and who was required to pay most of his/her income for the cost of care; or
- A person who was 55 years of age or older when he/she received medical assistance consisting of nursing facility services, home and community based services, and hospital and prescription drug services provided to individuals in nursing facilities or receiving home community-based services.

☐ I understand that upon receiving any of these services, the Department of Health and Human Services will file a claim against my estate (all personal and real property owned by me at my death) for the amount Medicaid has paid for my services.

☐ I have received a copy of the Estate Recovery Brochure.
